INTERNATIONAL TRAINING OPPORTUNITY

“I made the choice to leave the comfort of my family to gain greater maturity. The most beautiful experience of my training? My year working in New Zealand.”

***Jacob, 24,
Compagnon Plasterer***

A singular training journey

The training course proposed by the Compagnons du Devoir will permit you to improve yourself in a specific trade. From company to company, from town to town, in Quebec or overseas, you will develop your professional qualifications and social skills.

DURATION:

between 3 and 5 years

CONDITION OF ADMISSION:

hold a first professional degree DEP or DEC, acquired or in process.

The Compagnons du Devoir have been active in Quebec since 1985

The Journeyman's association of the Compagnons du Devoir

brings together tradespeople who have the same ideal: “to allow everyone to flourish in and through their profession, in a spirit of openness and sharing.” The Compagnons du Devoir help young people to acquire a high level of professional know-how. Beyond training, Compagnonship is a professional, human and cultural experience.
